

# Society of NJ Artists is having a Membership Drive!

*If you are an artist and live in NJ, you are welcome to join our group!*

## The benefits of joining SNJA:

We exhibit in 4+ group shows per year at various galleries, art centers and libraries in all of the south Jersey counties.

We foster connections with other artists and gallery directors to give support and opportunities to the artist.

We accept all skill levels and mediums of art.

Membership is open for new members from January to June.

Low annual dues and minimal entry fees for shows.

Two shows per year are judged by professional artists and offer opportunities for winning awards.

Get exposure, opportunities, and support with the Society of NJ Artists!
